

ONTARIO CURLING ASSOCIATION

RULES SUPPLEMENT 2014 - 2015

Revised October 16, 2014

CONDITIONS OF PARTICIPATION IN OCA COMPETITIONS:

It is a condition of participation in any competition provided by the Association that the participant does so at his/her sole risk and that the Association shall not be liable in any case for any loss, damage, or injury resulting from or in connection with such participation.

GENERAL RULES GOVERNING OCA COMPETITIONS:

The OCA will use the rules found in the Rules of Curling for Officiated Play in the 2014-2016 CCA Official Rulebook with the following exceptions and clarifications:

Events convened by a distinct and separate committee (e.g. Timbits, Gore Mutual Schoolboy & Schoolgirl, the Provincial Stick Bonspiel, Travelers Club Championship and Diversicare Grand Masters) are governed by the rules of that committee as applied by that committee.

Eligibility and Registration

1. A player shall be eligible to play in an OCA competition whether or not it leads to a Canadian championship provided he/she is a member of the OCA member club he/she is representing immediately prior to and at all times during the competition, and such member is either:

- (a) a bona fide resident within the geographical jurisdiction of the OCA by September 1 immediately prior to the curling season and at all times thereafter to the end of the competition.

A bona fide resident is defined as one who **complies with the CCA Residency Policy for 2014-2015 which requires an individual sign a waiver and provide a minimum of three of the following four items:**

- **Current Drivers Licence (or valid travel picture ID) from Ontario**
- **Current Health Care Card from Ontario**
- **Letter from employer confirming employment within Ontario**
- **Statement from landlord (if renting) or bank (if owned) confirming residency within Ontario (a copy of a property tax invoice for a non-mortgaged property is also adequate).**

Those Non-Residents who can apply for and receive an exemption from the OCA Board of Directors include members of the Canadian Forces, university or college students and others.

- (b) a resident outside the geographical jurisdiction of the OCA but within forty (40) kilometers of the OCA geographical jurisdiction provided such residency is established by September 1 immediately prior to the curling season and remains in effect at all times thereafter to the end of the competition; and

- (c) **a player may only compete for one curling association in the same curling season.** A player representing more than one association may face suspension. (Refer to CCA rules that state that a Provincial/Territorial Champion of an event in the current season where the Canadian Championship of that event occurs in the next curling season, shall be eligible to compete for that Province/Territory in the Canadian Championship despite not being otherwise eligible to compete for such Province/Territory in any other manner); and
 - (d) all competitors playing in events leading to the Canadian Men's Championship and the Canadian Women's Championship **must** be residents and citizens of Canada; and
 - (e) **all competitors playing in events leading to a national event must comply with any residency requirements laid out by the CCA for that event.**
2. Notwithstanding rule #1, the members of OCA member clubs located in the United States of America are eligible to play in all OCA competitions, except a competition leading to a fully sanctioned Canadian championship.
 3. For Mixed competitions, teams are composed of two (2) male players and two (2) female players who are members of the club they represent.
 4. For competitive play, it is the responsibility of the club OCA representative/skip/chaperone/coach to ensure that all team personnel meet eligibility requirements. If a player or chaperone/coach is found to be ineligible after the start of play, the team shall be disqualified. (*Refer to Competition Regulations #3, 4, 5, 6 and 8 and the Club Entry Sheet for that competition for eligibility rules and regulations. Age Eligibility is also shown in the attached Appendix A*).
 5. A person who plays in a club playdown or at any other level of an OCA competition or equivalent competition in another curling jurisdiction is ineligible to represent any other club in the same competition except;
 - (i) the players in a player's pool at a provincial final or an alternate accompanying a team to the Canadian Men's or Canadian Women's Curling Championships,
 - (ii) eliminated competitors are eligible to play as an alternate/substitute at the next level (ie. regional, challenge round, provincial) for the same club they represented.
 6. In the event that a provincial winning team also wins a Canadian championship (Seniors, Juniors, Masters & Mixed), such team shall have a direct entry into the provincial round robin in the next following year if at least three (3) eligible players of the four (4) members remain on the team and provided that such team pays the prescribed OCA entry fee for the competition in question.

7. An entry to the Men's Challenge Round or the Women's Challenge Round is another level of the playdowns leading to the provincial final for that event. Rules for Eligibility, Registration and Alternates/Substitutes as outlined in this Rules Supplement shall apply and specific event rules will be outlined in the Entry package for the Challenge Rounds.

Competition Entry

1. For all competitions, each OCA member club is allowed unlimited entries in all zone competitions regardless of the number of registered curlers.
2. **All entries to competitions shall be made online and will be paid for at the time of entry** and require OCA member club approval prior to the zone entry deadline.
3. Team personnel need not be declared until the first game of the playdown (zone or region as applicable).
4. **Entries to the Challenge Rounds must be paid online.** The prescribed entry/points form shall be sent directly to the OCA office.
5. The deadline for entries for each competition will be **as posted in the competition section of the website. Late entries will not be accepted by the OCA office after the zone entry deadline. Entry fees are non-refundable after the zone entry deadline. Confirmation of the entry is emailed when the payment is completed, if confirmation is not received within 12 hours please contact the OCA office.**
6. In the event of late withdrawal from the competition, the draw shall be revised, if possible, and teams notified of any changes in the starting time.
7. A CCA competitor's fee must be paid to be eligible for participation in competitions leading to a national championship, excluding Juniors, Masters and Travelers Club Championships.
8. **Once per season, prior to their first game, all players, coaches and chaperones must provide the OCA a signed waiver form appropriate for the event(s) they participate in (Exhibit #6A Youth Event Waiver and/or Exhibit #6B Adult Event Waiver). If the participant is under the legal age (18) of majority they require the signature of a parent or legal guardian in order to be eligible to compete.**

Note: The signed waiver replaces the need to complete the on-site registration form, therefore it is recommended that all waiver forms should be submitted to the OCA office at least one week prior to the event

Defaults

1. Where a winning team in a zone is unable or unwilling to continue in a competition, the skip/chaperone/coach of the team shall notify the OCA Executive Director to this effect at least three (3) days before the first day of the next scheduled round, and that team will not be entitled to the position, rights, privileges and awards as it has defaulted and may be suspended. A runner-up team in that zone shall be entitled to the position, rights, privileges and awards of the team that has defaulted.
2. Each member of a team
 - (a) which defaults at the regional or provincial level of a competition, or
 - (b) which defaults at the zone level of a competition during the competition or at the start of the competition as shown under Competition Regulations, Rule 1, or
 - (c) subject to paragraphs 3 and 4 below, shall be suspended immediately, for the balance of that curling season and the immediately following curling season, from all OCA competitions.
3. The OCA Executive Director shall notify each member of a defaulting team in writing of such suspension and the method of appealing such suspension. Such suspension may be appealed in writing and/or in person to the Board of Directors of the OCA within a period of two (2) weeks from notification of such default and in such event the suspension shall be lifted until the appeal is heard.
4. Such suspension shall not apply to the level of the competition in which the default occurred if, in the opinion of the official-in-charge or a head official of the OCA, the team in question has a reasonable explanation for such default.

Competition Regulations

1. Teams participating in a regional playdown or a Challenge Round will not be permitted to practice at the regional or Challenge Round host club within 24 hours of the start of Game 1 of the competition. Teams participating in a provincial final will not be permitted to practice at the provincial final host club within 24 hours of the start of the event unless a pre-event practice is included in the schedule of events.
2. All competitions (including Challenge Rounds) are considered to have started **24 hours prior** to the start of the first level of play. The competition is considered complete 24 hours after each level of play.
3. At the team meeting of each level of play every team must confirm their players and submit any completed waiver forms required to the official-in-charge.

Penalty: Failure to have a completed waiver on file for every player will result in the team being disqualified.

4. At all levels of the competition, prior to the start of the first game, the official-in-charge may ask for proof of age.

4. **Any team with a coach under twenty-one (21) years of age must also be accompanied by a chaperone over twenty-one (21) years of age. All expenses relating to the chaperone shall be the responsibility of the team. The chaperone shall not receive any awards, prizes or acknowledgment. Coaches and chaperones must have an acceptable Police Record Check available that is no more than three (3) years old (see paragraph #7).** Police Record Checks should be submitted to the OCA office no later than 2 weeks prior to the start of the competition. **The coach/chaperone shall be responsible for the team both on and off the ice during the entire competition.**

Where required, the only acceptable coaching qualifications are those that are part of the Canadian Certification for Curling recognized by the National Coaching Certification Program (NCCP).

Note: “Club Coach-Youth” is not equivalent to Club Coach.

In the upcoming season, coaches/chaperones accompanying teams to competition are required to have the following qualifications:

Event	Zone	Region	Provincial
Bantam Mixed & Junior Mixed	Police Check	Police Check	Competition Coach Trained / Club Coach* + Police Check
Bantam Boys & Bantam Girls	Certified Competition Coach* + Police Check	Certified Competition Coach* + Police Check	Certified Competition Coach* + Police Check
Junior Men & Junior Women	Certified Competition Coach + Police Check	Certified Competition Coach + Police Check	Certified Competition Coach + Police Check
All Adult events	Certified Competition Coach	Certified Competition Coach	Certified Competition Coach

- * A one-time exemption is available to unqualified coaches wishing to coach in a bantam event provided that the coach signs an agreement with the OCA stipulating their intent to become qualified before the end of the season.

Note: Coaches / Chaperones are mandatory at all youth events but optional at adult events.

5. A coach accompanying a team at a Canadian Championship shall have a minimum Competition Coach Certification or Level 2 Coach certification for curling *or* be registered with the Coaching Association of Canada's *Canadian Mental Training Registry* and shall be at least twenty-one (21) years of age. A coach accompanying a team at Ontario Winter Games shall have a minimum Competition Coach Certification or Level 2 Coach certification for curling. A coach accompanying a team at Canadian Winter Games shall have a minimum Level 3 Coach Certification or the equivalent in the new NCCP Competition stream, Development context (trained status) in Curling. (Subject to change).
6. At all levels of the competition requiring coach certification, prior to the start of the first game, the official-in-charge may ask for proof of the applicable certification.

7. At all levels of the competition, a chaperone/coach is only permitted to coach one (1) team.

Interpretation: A coach of a team in any competition will not be permitted to coach any other team in the same competition. When two (2) competitions are run simultaneously at the same place, such as the Junior Men and Women, a coach will not be permitted to coach a team in both competitions until such time as one team is no longer playing in the competition.

8. **For the Colts, Trophy, Intermediate Men, Intermediate Women, Senior Mixed, Bantam Mixed & Junior Mixed events at zone level, the following system will be used to determine the number of teams qualifying from each zone:**
 - 1) Each zone qualifies one team providing they have an entry.
 - 2) A zone qualifies a second team if the zone has a minimum of **4** entries OR **15%** or more of the total number of entries in the region. The number of entries is defined as those in place at the zone closing deadline.
 - 3) If less than 8 teams are qualified into a region then a zone may qualify an additional team(s). Previously allocated regional positions are deducted from the entries in each zone. The zone with the highest number of entries remaining receives the next regional position. In the event that zones have an equal number of teams available, then the zone with the least number of teams advancing receives the regional position. If 2 or more zones remain equal for the last available position then it shall be decided by lottery.
9. **For all other events (not named in paragraph 8),** the following system shall be used to determine the number of teams from each zone.
 - 1) Each zone qualifies two teams (1 team for double team events).
 - 2) If less than 8 teams (4 teams for double team events) are qualified into a region the runner-up of the zone with the largest number of entries within that particular region receives the next available position. If 2 or more zones remain equal for the last available position then it shall be decided by lottery.
10. In the Fairfield Marriott Challenge and the Best Western Challenge the Provincial Championship shall be filled to 32 teams from across the OCA jurisdiction.
11. The person standing on the tee (for 6 stones), directing play and holding the broom shall be known as the skip and the team shall be listed under his/her name.
12. No electronic equipment, except stopwatches, hearing aids and other pre-approved devices, is allowed within the curling rink. This includes phones, tablets, etc. The coach shall be allowed the use of electronic tablets or equivalent as a coaching tool during time-outs and the fourth/fifth end break on condition that all volume is disabled.
13. In Mixed competition each team shall have two male and two female players and the male and female players shall play alternate positions in the team's delivery rotation. Sweepers of the final two (2) stones of the end shall be of opposite gender and the skip and acting vice-skip shall also be of opposite gender.

Alternates/Substitutes

1. The OCA strongly supports the utilization of four (4) player teams. In extenuating circumstances, a team shall be permitted to begin play with three (3) players, however, the practice of using three (3) players for a complete game, except in extenuating circumstances is not permitted.
2. Except for the Men's & Women's Provincial Championships, the current policy of the Ontario Curling Association is NOT to allow an alternate player at a Provincial Championship unless such alternate is selected from the pool of alternate/substitute players established by the host committee and approved by the OCA Executive Director or Event Coordinator. Access to the Provincial player's pool must be through the event Head Official, Event Coordinator or designate.

Only one (1) alternate/substitute per team is allowed at any level of a competition except in Mixed competition where you will be allowed one (1) male and one (1) female alternate/substitute who are members of the same club as the player(s) they are replacing. (Silver Tankard or Women's Tankard are allowed two (2) alternates/substitutes per double-team entry). The alternate/substitute shall not receive any awards or prizes and shall not be acknowledged.

3. In Mixed competition, **where a player is unable to continue**, the team:
 - (a) may play an eligible alternate/substitute; or
 - (b) **may play the game with the three (3) remaining players. Where the missing player's stones shall be played by the remaining player of the same gender. or**
 - (c) during the provincial final competition, may replace the missing player by a person of the same gender chosen from a group of several curlers appointed by the OCA umpire. The replacement may play any position consistent with the rules of the competition. Access to the Provincial player's pool must be through the event Head Official, Event Coordinator or designate
4. In Mixed competition, an alternate/substitute shall be of the same gender as the absent player.
5. Only in the Men's and the Women's championships shall the fifth player advance to the Canadian championship.
6. A team shall be permitted to utilize eligible alternates/substitutes to distribute playing time among more than four (4) players during zone and regional playdowns.
7. An alternate/substitute player participating in any OCA competition is subject to the same requirements as the original team personnel. (*Refer to Eligibility and Registration, Rules 1, 2, 4 & 5*).
8. Three (3) members of the zone winning team must be retained at subsequent levels of the competition (i.e. regional, Challenge Round, provincial final), except in all Mixed competitions where two (2) members must be retained, one of each gender, from the four players that began Game 1 of zone play. (For Silver Tankard or Women's Tankard , six (6) members of the zone winning team must be retained).

Example: If ABC Club had a four-person team, either men's or women's, that won the zone playdown and only two of those four players were available to advance to the regional playdown, then ABC team would have to declare and sign in their eligible fifth person even though the zone playdown was completed. Three of the five would have to play at the regional playdown along with an eligible fourth person. If this team continued to the final, any three of the original five players declared at the zone level would have to play along with a fourth who could be the player used at the regional playdowns or an eligible new person.

Cresting/Sponsor Identification

1. **For a trial period a team competing in an OCA competition will be allowed to wear any number of non-competing sponsors' crests (i.e. sponsors who do not compete with any OCA sponsor) with no restriction on size. Teams may request further clarification from the OCA office.**

The Draw

1. **For a two year trial, the Tankard and Scotties Tournament of Hearts will be self-seeded starting at zone play. (Participating teams will receive a ranking form that must be returned by the deadline shown on the form).**

For all other events :

- (a) The OCA Zone Representative responsible for the zone competition shall draw for start times with the assistance of the Zone Host Club Representative and shall notify the skip/chaperone/coach of their start time. If either/both is playing in the event, he/she shall request that another Zone Representative and Club Representative without a conflict conduct the draw for start times.
- (b) Teams shall draw for position on the draw board prior to their initial game at the first level of play (usually zone level).
- (c) At regional competitions, the draw is pre-determined as per the Regional Draw Schedule (Exhibit #10) and is posted on the Regional Playdown Information Sheet (Exhibit #13). The exception being where regional play is the first level of competition.

Games

1. Three (3) games per day may be scheduled for all competitions with the following exceptions:
 - (i) at Master Men, Master Women, Senior Men, Senior Women three (3) games cannot be scheduled for two (2) consecutive days, excluding tie-breaker games.
2. All games are ten (10) ends except Master Women, Master Men, Bantam Girls, Bantam Boys, Bantam Mixed, Junior Mixed, Schoolgirl, Schoolboy, Best Western Challenge, Fairfield Marriott Challenge, Senior Mixed, Travelers Club Championships, **Senior Women, Senior Men, Brokerlink Mixed and Wheelchair** which shall be eight (8) ends.

3. During the fourth/fifth end break, which shall be a maximum of five (5) minutes and will be taken on the backboard behind the team's sheet of play. Beverages and small quantities of prepared **fruit, vegetables and cheese** shall be permitted provided they are in a non-breakable container. **No thermal coolers shall be brought into the club at any time.**
4. In all games of a competition played in a curling club, all extra ends must be played towards the glass.
5. Time clocks may be used at any level of any competition. **'Thinking Time' will be used (refer to Exhibit #15).**
6. **Where the total number of entries within a region is eight (8) or less teams all teams will proceed directly to regional playdowns. That regional playdown will be regarded as the first level of play. This excludes; Men's Tankard and Women's Scotties; and events with no regional playdowns (eg. Best Western/Fairfield Marriott Challenges, Travelers Club Championship); double team events (i.e. Silver & Women's Tankard); and events convened by a distinct and separate committee (see page 1).**
7. If there are only two (2) entries in a zone competition, the following method shall be used to determine the "A" and "B" winners:
 - (i) If both teams agree;
 - a) A game may be played at a time and place mutually determined by the two (2) teams and the Zone Representative. This game must be played between the time that zone entries close and the final date of the scheduled zone competition but does not necessarily have to be played at the date, time and place as scheduled.
 - b) If the two (2) teams do not wish to play a game, the OCA Zone Representative may execute a coin toss in the presence of a neutral third party. Prior to the toss, one (1) team shall be designated "heads" and the other "tails". The Zone Representative shall advise the two (2) teams of the outcome of this coin toss. The winner of the coin toss shall be considered the winner of the game and shall be placed in the higher position (their own zone is considered higher than a fill zone).

Note: Teams in the Men's and Women's event playdowns are encouraged to play as points may be gained for use in a Challenge Round entry.
 - c) If one (1) team chooses, it may decline the choice of "A" or "B" to the other team in lieu of a coin toss or game.
 - (ii) If both teams do not agree;
 - a) Positions "A" and "B" shall be resolved by playing a game at the time and place as scheduled on the OCA competition poster.
8. If there is only one (1) entry in a zone competition, that team shall be declared the "A" winner.
9. **When a competition reaches the stage where all remaining teams will be advancing to the next level, they must use the process as described in 7 (b) above, excluding Men's Tankard and Women's Scotties.**
10. Changes to a posted schedule must be approved by an OCA Zone Representative and the OCA Event Coordinator.

Pre-Game Team Meeting & Practice

1. A team meeting will be held **45 minutes** before the posted start time of the teams' first game at each level of play of the competition. Each team must have at least one (1) member at the team meeting. If a team fails to have a team member at the team meeting, that team shall forfeit the choice of colour and last stone for that game and shall practice first.
2. **At zone and regional playdowns of all OCA events (exceptions will be double team entries & maybe events convened by a distinct and separate committee, see page 1) teams will conduct a coin toss to determine choice of stone colour or choice of practice. At provincial level refer to the competitors guide for details.**

After each team's practice is declared complete and the coach has left the ice surface, one player from each team shall throw one stone within the one minute period to home end with sweeping that will be measured and removed. The stone must be touching the rings to be measured. One player from the opposing team has the right to observe the measure.

The team that has the least measurement will have last stone advantage. In the event that the two measurements are equal, the teams shall conduct a coin toss to determine last stone advantage.

Please note that the draw to the button will be conducted by the teams without assistance of an official.

3. After the first game, a minimum of 30 minutes prior to each game, teams will flip a coin to determine choice of stone colour or choice of practice. If a team fails to have a team member present for the coin toss, that team shall forfeit the choice of colour and last stone for that game and shall practice first.
4. **All competitions shall allow time for a one minute cooling/sliding period and a seven (7) minute per team pre-game, organized practice.**
Practice is to be on the sheet of ice where the team is scheduled to play and only with the stones they will be using in the game. Stones cannot be touched during the cooling period.
5. **At the first level of play no team will be allowed any practice other than the pre-game practice defined above (paragraph 4).**
6. A team receiving a bye due to a default will be permitted to practice on the sheet of ice that they would have played on for the length of time that the game would have taken (2 hours for an 8 end game or 2 ½ hours for a 10 end game).
7. Teams shall not be permitted to select stones off other sheets of ice at the facility unless at a provincial final that has a scheduled playoff format (Note: Tie-breakers are not included in a playoff format).

Officiating

1. At zone and regional playdowns, a Club Representative or designate shall act as official-in-charge. At all OCA provincial championships, an OCA Head Official will be appointed and will work in consultation with the staff person or designate in charge of the event.
2. No person who is a player or coach in a competition shall be appointed or act as an official in that competition.
3. If the Club Representative is playing or coaching or otherwise unable to officiate, he/she must appoint someone else who is a member of the OCA to officiate.
4. No person who has a conflict of interest (eg. competed or coached at any level of the competition) will be permitted to officiate at the Provincial event.

Protests/ Appeals

1. A skip or coach may lodge a protest as to the outcome of the game on behalf of the team no later than ten (10) minutes after the completion of the game.
2. The protest will be lodged with the on-site official and can be appealed to an Official-on-Call. The subsequent decision is final.
3. All decisions made (**excluding the entry process**) may be appealed in writing to the OCA Executive Director within 48 hours of the original decision rendered. The appeal committee may consist of the OCA President, the appropriate OCA Director of Competitions, OCA Director of Rules Committee, OCA Director of Officials and OCA Executive Director as deemed necessary. The subsequent decision is final.

Disciplinary Procedures

The CCA rules found under Special Rules in the CCA Official Rulebook shall apply with the exception that appeals must be made within two (2) weeks.

This includes:

- (a) The right to implement and administer reasonable disciplinary measures arising from any Competitor/Coach's conduct (whether of a verbal or physical nature) occurring,
 - (i) during any competition, whether in the course of on ice play or at other times,
 - (ii) at any other time and place.
- (b) Such disciplinary measures may include but are not limited to,
 - (i) formal reprimand or verbal warnings;
 - (ii) formal reprimand (written);
 - (iii) temporary or permanent suspension of competition privileges;
 - (iv) dismissal from a team.

Competition Behaviour

Inappropriate behavior will not be tolerated at any time during an OCA competition (e.g. slamming brushes in anger, willful damage to curling club, hotel or restaurant facilities, offensive and/or abusive language, etc.). Such inappropriate behaviour shall be subject to the disciplinary procedures as outlined above.

The OCA reserves the right to impose player fines as introduced by the CCA in cooperation and with the support of the World Curling Players Association.

This fine system includes (but is not limited to) the following sample:

(a) On-ice Conduct

- (i) Use of inappropriate language and/or behaviour to the point that is offensive.
- (ii) Making an obscene gesture that is deemed inappropriate by an Official.
- (iii) Being abusive to anyone involved with the event.

1st Offence \$150 - \$500

2nd Offence \$500 - \$1000

3rd Offence Fine up to \$1000 and suspension

(b) Refusing to take a directive given by an OCA official.

1st Offence \$300 - \$600

2nd Offence \$600 - \$1000

3rd Offence Fine up to \$1000 and suspension

(c) Off-ice Activity: Any conduct considered to be inappropriate by the OCA.

1st Offence \$300 - \$600

2nd Offence \$600 - \$1000

Specific Competition Rules

The specific competition rules are listed on each Club Entry Sheet as well as on the OCA web site.

Stick Delivery Rules

Please refer to the CCA Rules of Curling for General Play, page 21.

APPENDIX A – Age Eligibility

OCA Events that lead to a National Championship for 2014 - 2015:

- Club Championship – Max. of 2 players 20 years or younger as of December 31st 2013
All players 14 years or older as of December 31st, 2013.
- Junior Men & Women – 20 years or younger as of December 31st, 2014
- Men's Tankard – 19 years or older as of December 31st, 2014
- Tournament of Hearts – 19 years or older as of December 31st, 2014
- Mixed – 19 years or older as of December 31st, 2014
- Senior Men & Women – 50 years or older as of December 31st, 2014
- Master Men & Women - 60 years or older as of December 31st, 2014
- Wheelchair – no restriction

OCA Events for 2014-2015:

- Bantam Boys & Girls – 16 years or younger as of December 31st, 2014
- Bantam Mixed – 16 years or younger as of December 31st, 2014
- Junior Mixed - 20 years or younger as of December 31st, 2014
- Silver Tankard & Women's Tankard - 17 years or older as of December 31st, 2014
- Fairfield Marriott / Best Western Challenge – 19 years or older as of December 31st, 2014
- Colts & Trophy - 19 years or older as of December 31st, 2014
- Intermediate Women - 35 years or older as of December 31st, 2014
- Intermediate Men - 40 years or older as of December 31st, 2014
- Senior Mixed – Males - 50 years or older as of December 31st, 2014
Females – 45 years or older as of December 31st, 2014
