THE OCA ACHIEVEMENT AWARD

The OCA Achievement Award is an opportunity for OCA member clubs to recognize their volunteers. Each year up to six awards are presented and we encourage you to consider participating in this program.

The worthy recipient is one who is always willing to help out whether it is at registration, teaching curlers of all ages, doing repairs or renovations, working behind the bar or doing kitchen duty at a bonspiel. Age need not be a factor as the men or women who should be recognized may be young adults or seniors.

To nominate an individual for this award, club presidents are requested to write a letter to the Ontario Curling Association at the address shown above. This letter should outline the reasons why this individual is deserving of this recognition. All nominations must be received in the OCA office no later than March 31st of each year.

Selections are made after this date and the awards are presented subsequently. All nominations that are not accepted in the year submitted are carried forward for consideration in the following year but the club may choose to update their submission.
