

Seasonal Employment for Assistant Ice Technician

Burlington Golf & Country Club is seeking the services of a

Certified Level 1 Ice Technician

for the 2019-2020 curling season starting late September through April.

Burlington Golf & CC has a six (6) sheet curling facility with an active membership of 600. Focus of all staff is directed toward customer service and the enhancement of the member experience which includes producing quality ice and helping to create a friendly atmosphere.

Schedule will include approximately 25-30 hours weekly with flexibility and punctuality a necessity.

Duties include:

- Scraping, pebbling, draw changes and general rink duties
- Assisting with ice maintenance shutdowns
- Keeping daily logs on refrigeration equipment

Knowledge of a working refrigeration system would be an asset.

Please e-mail your resume by April 15, 2019 to:

Michael Braker- Head Ice Technician- Burlington Golf & CC at michael.braker@burlingtongolfclub.com

Successful candidates will be contacted prior to the interview process.
